Over dit object

3 bedroom house,100m from the beach,Panormo village,Full amenities shared pool

The house is about 20 km from Rethymno and 60 km from Irakleio, two of the biggest towns on the island of Crete.

The house is about 165 sqm and has a 2 floors layout and an underground garage. Entering the ground floor there is a large individually air-conditioned living and dining area (about 65 sqm), with a fully equipped kitchen. (oven, fridge, kettle, dishes, glasses, and cutlery). On the ground floor, there is also a w/c and big veranda about 20 sqm. There are free wi-fi internet access, a 32" satellite tv and a baby chair too.

An internal staircase leads to the upper floor there are three bedrooms (about 65 sqm), two with double beds and one with two single beds. Every room is individually air-conditioned. On the first floor, there are two balconies, one big (about 16 sqm) and one smaller. On the first one, there is a confined sea view and a portable barbecue as well, ready for tasty temptations. Also, another internal staircase leads to a safe underground garage for your car (about 35 sqm).

The house is surrounded by a small garden with tropical and Mediterranean plants. There is also a 45 sqm shared swimming pool and six new sunbeds for all the visitors.

The placement is perfect because there is a tavern just opposite the house, also there about 150 of the house, there are many shops, 2 mini markets and some more taverns, restaurants, and cafes. But the best of all is the sandy beach of Panormos that is about 100 meters from the house.

Panormos village has a sandy and well-organized beach and a small port-beach, only 20km east of Rethymno town and 60km from Irakleio, on the north coast of the island of Crete, close to all amenities at some points with umbrellas and sunbeds, showers, water sports, cafes, beach bars, restaurants, hotels, villas and mini markets, ATM cashpoint machines. The location is ideal for your holidays as you can combine your holidays by the sea and at the same time explore and visit the rest of the island by going on daily organized excursions or sightseeing on your own time.
