Over dit object

Villa Verde is set within a gated complex of villas with two pools. Upon entering the villa it opens up into a spacious living space with a separate well equipped kitchen

Close to the southern end of the complex, this 3 bedroom house has a spacious lounge dinner with internet and local TV.

There is a well stocked kitchen with dishwasher, washing machine and all of the usual home comforts that you would expect within this style house.

You can access the rear garden from the kitchen which has a built in BBQ and grassed area.

The first floor access from the lounge presents 3 good size bedrooms, one master bedroom with en-suite bathroom, all with plenty of built in wardrobe storage space. The landing allows access to the shared shower room and doorway and stairs to the roof terrace which has amazing views to the front and rear including sea and coastal views.

The master bedroom has a large front balcony overlooking the pools and gardens whilst the second double bedroom has a small balcony towards the rear.

The house also boasts private underground garage parking, full air conditioning, internet and wifi capability.

The complex is fully private and is only used by the guests and owners.

It is advisable to hire a car, as although you have some small shops selling local bread and produce within easy walking distance, within 5 minute drive you are in the Historic Roman City of Tavira which is packed with all you need to fulfil your Portuguese holiday experience.
